Fast and clean. Seal with confidence.

3M™ Extreme Sealing Tape is perfect for quick, mess-free sealing. It sticks instantly with pressure to metals and plastics and is very conformable, enabling a tight seal. Sealing is now simple, eliminating the need for messy caulking equipment. It's tough, flexible, and resistant to weather, solvents, and high-pressure washing, making it a reliable, long-lasting solution.

3M™ Extreme Sealing Tape

3M™ Extreme Sealing Tape is a go-to for quick and clean sealing. It sticks to metals and plastics without any mess. The acrylic adhesive is very conformable, covering edges, rivets and screw heads for a tight seal that looks great. Plus, it comes in three colours to match most surfaces. Forget about caulking applicators and cartridges; this tape makes sealing simple and clean. It's tough enough to handle sun, rain, extreme temperatures and is resistant to high-pressure washing, so you know it's built to last. Its acrylic adhesive provides a water-tight seal and reliable outdoor durability.

Features

- ▶ The acrylic adhesive adheres immediately after the application of pressure, enabling quick installation and the elimination of unnecessary downtime
- ▶ Allows for increased productivity as no curing time is required
- ▶ It features a flexible TPO backing that easily conforms over screw heads, rivets, joints, splices and other protrusions
- ▶ Eliminates the need to buy, maintain or dispose of caulking applicators and cartridges
- ▶ Choice of three colours to match most surfaces
- ▶ Its acrylic adhesive provides a water-tight seal and reliable outdoor durability
- ▶ Able to resist vibration and thermal expansion or contraction
- ▶ An abrasion resistant and durable TPO backing material makes this tape a good choice for exterior applications
- ▶ This product features a linerless acrylic adhesive, enabling easier application with less waste

Applications

3M™ Extreme Sealing Tape	Colours	Thickness	Available Widths
4410+	Black, White, Grey	0.6 mm	2", 3", 48" or custom
4411+	Black, White, Grey	1.0 mm	2", 3", 48" or custom
4412+	White, Grey	2.0 mm	2", 3", 48" or custom

Important Note
Product Selection and Use: Many factors beyond 3M's control and uniquely within users' knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customers' application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., EU OHS legislation, Management of Health and Safety at Work Regulations 1999 etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
