

3M™ Peltor™ Standard PTT Adapter FL5030 / RKN4097B

Product description

The PTT button is logically placed so that it is easy to access with either hand. The special design also makes it easy to use even with heavy gloves. The PTT button has a specific pressure point with a clear on/off indicator. The jack is at a 10 degree angle to the fixed cord and positioned so that the headset is easy to plug in and unplug in all situations.

Key Features:

- All external metal are rust robust materials
- Design to fit the size and shape of the hand.
- Clamp can be twisted 360 degree
- Int/ ext switch for the radio speaker

Applications

- Industry
- Military & Police
